

*Blessings to you all during this  
Season of Promise and Hope !!!*

*Joyous Noël*

Now is the perfect time to reflect on the year that's been and to think about what we want to achieve in the New Year...

*We at The Bridge to Life have much to anticipate in the coming year!*

We have recently moved to College Point, into a wonderful space that was the former Convent at St Fidelis Church. We now have enough room to expand the services so many of our clients benefit from. We are so excited with the prospect of reaching our "arms of love" out even further than we ever have before! The opportunities that await us are endless, yet they will not be possible without the continuous support of our generous benefactors! Your financial contributions have brought us this far and your continued financial support will enable us to multiply our collections of baby supplies for the families we serve. Your generous financial support is what sustains us in our mission by showing the love and support that so many who come to us so desperately need!

Please consider the Blessing of making a generous donation, however small, to help us to continue to be those "eyes" that look compassion on the world, one person at a time!!

*With your help great things are possible!*
