#BRIDGE TO LIFE

32nd Anniversary Gala

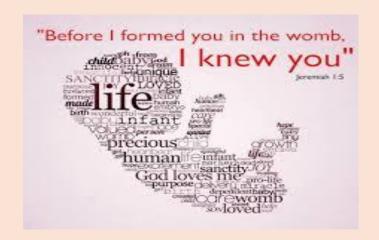

Because of Mou...

Celebrating Life, Celebrating Moms

St. Joseph Church Parish in Astoria, Queens Salutes The Bridge to Life Organization

Congratulations on your **32**nd **Anniversary** in making a positive impact in the lives of mothers, babies and families in need. **Father Vincent Chirichella, Pastor**

Because of You

Because of you, we gather in celebration of our 32nd anniversary...

Tens of thousands of lives have been forever touched through the efforts and dedication of The Bridge to Life. Located in College Point, Queens, Bridge serves as a vital pregnancy help and women's support center, extending its reach to women, children, and families across all five boroughs of New York City.

Because of you our mission is a reality...

Our mission is deeply rooted in providing informative, compassionate care and assistance to empower women and mothers, while concurrently offering support, guidance, and material assistance to their families.

For three decades, we have dedicated ourselves to assisting women, children, and families within our communities, annually serving over 5,000 individuals through our Material Assistance Program. We aim to improve the lives of the poor, disadvantaged, and most vulnerable in the community by offering essential help and support during difficult times. The heart of our mission is for each individual to recognize their intrinsic worth and value, providing the necessary support needed to make life-affirming decisions. We are passionate about creating a culture of life throughout our entire community.

Because of you, Bridge is able to bring hope, healing, and strength...

Through our material assistance, we not only address disparities and financial constraints but also bring hope, healing, and strength to those in need. While providing tangible help is crucial, our overarching mission is to offer the support that helps women realize they are not alone in their struggles, fostering a sense of community and solidarity.

Because of you, we are able to be in solidarity with our community and supporters...

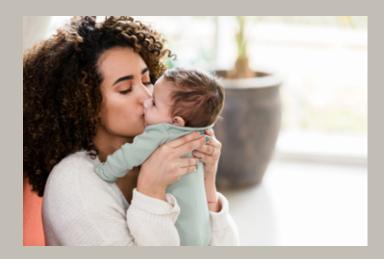

The success of The Bridge to Life is deeply intertwined with the care and kindness of individuals and organizations within our communities. As a non-profit organization, we rely on the generosity of those who share their time, talent, and resources with us. It is only through the heart and dedication of our volunteers, staff, board of directors, and supporters that we are able to fulfill our mission.

Because of you we come together in thanksgiving...

So, at this time, we extend a heartfelt thank you. It is only "Because of You" that this is all possible. If you are interested in becoming part of our mission, whether through volunteering or supporting us in other ways, we welcome you to reach out.

In closing, we express our heartfelt gratitude for your unconditional support and generosity. Your belief in us is truly appreciated, and we value the strength and goodness that comes from working together towards a more compassionate and supportive community.

Thank you!

The Bridge to Life, Inc., is a 501 (c) (3) organization

We are not a medical facility.

On behalf of the Board of Directors, welcome to our 32nd Anniversary Gala. We sincerely thank you for your generosity and ongoing support.

We are blessed to be working with women who are sometimes struggling with their decisions. We are most grateful to our supporters who enable us to afford these women and their families choices that they can be proud of. Our goal is to save the life of the baby by providing the mother with material assistance, emotional support, and life-affirming options which include parenting or adoption.

Living in a post-Roe world, we are most thankful for the lives that will be saved and reminded of how fragile this gift of life is. We must continue to strive for a world where all human life is cherished, and protected. Let us remember to always choose the path that leads us to life, not necessarily the easy or well-trafficked one.

This year we want to celebrate all of our Moms, both living and deceased. It is because of you, our supporters, that some of the women we serve can celebrate Mother's Day. What a special gift has been given to them. We are grateful that we are able to provide the needed support that they need to be good Moms.

Annually, Bridge supports more than 5000 women and children with emotional support, and material assistance both during pregnancy and throughout their children's formative years.

Other than our Executive Director, one full-time and two part-time employees, all the work comes from our dedicated volunteers. They all work tirelessly to bring the vision of Bridge to fruition. All of our funding comes from financial and in-kind donations from our supporters.

Thank you again for believing in, and supporting our good work. Enjoy this special celebration.

In Gratitude, Catherine Donohoe, MS, RN President, Board of Directors

Deacon Kevin McCormack Superintendent of Catholic Schools

Kevin McCormack

For the last 40 years of his life, Deacon Kevin McCormack has been committed to Catholic Education. He began as a religion teacher at Bishop Kearny HS in January 1985, and then went to Xaverian High school. For the next 37 years he served as a religion and English teacher, dean, AP for discipline, Head of Campus Ministry, Director of the Guidance Department, and then in 2006, the school's Principal. Together with Xaverian's president, Mr. Robert Alesi, they built a team that enabled Xaverian to renew her Catholic Identity, restore her reputation of academic excellence, and becomethe model of integrating technology into the classroom. Xaverian's enrollment doubled in their time together and Xaverian continues to be a premiere Catholic school in the metropolitan area.

In May 2022, Bishop Brennan announced that Deacon Kevin would become the new Superintendent of Schools for the Brooklyn Diocese. Over the last 18 months the school's office, directed by Bishop Brennan's vision, has renewed its commitment to build and support the best Catholic schools for over 30,000 families who sacrifice to have their children educated in the faith and help build God's Kingdom.

Deacon Kevin was an adjunct instructor of Theology at Molloy College (now University) and for 12 years with Rabbi Joseph Potasnik, he cohosted 770 WABC radio Sunday morning's show – Religion on the Line.

He was ordained a Deacon in 2002 by Bishop Wm. Murphy and has served in Our Lady of Peace parish for the last decade.

Throughout his professional career speaks on Educational and Catholic Identity topics. He often offers parish missions, days of reflections, theological study days and adult education courses throughout the metropolitan area.

Kevin and his wife Gina have been married for over 37 years. They have 3 daughters, Lauren, Allison (married to Jon Dempsey,) Kaitlyn and a son Matthew. Their most recent role is as proud grandparents to the newest addition to the family; Jackson, a joy-filled 20 month-old grandson.

Congratulations Deacon Kevin McCormack!

Let us remember these words of future saint, spoken in our nations capital thirty years ago:

What does God say to us?

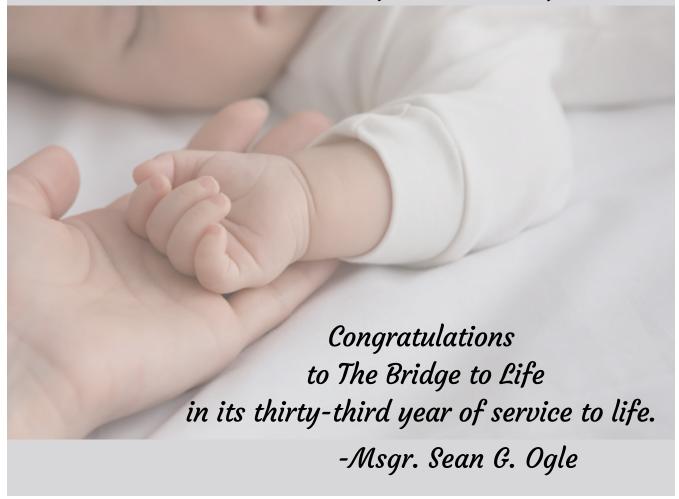

He says: "Even if a mother could forget her child, I will not forget.

I have carved you in the palm of my hand." (Isaiah 49: 16).

We are carved in the palm of His Hand; that unborn child has been carved in the hand of God from conception and is called by God to love and to be loved, not only in this life, but forever.

God can never forget us.

WHAT THE MEDIA DOESN'T WANT YOU TO KNOW ABOUT THE "EQUALITY AMENDMENT"

In November 2024 a proposed state constitutional amendment, the "<u>Equality Amendment</u>," if approved by the voters, will create a state constitutional right to "**REPRODUCTIVE HEALTHCARE AND AUTONOMY**" for "**PERSONS**," <u>Notably absent from its text are the</u> words and phrases "**MINOR**," "**PARENT**," "**CONSCIENCE**," and "LATE TERM."

NYS Legislature bills: A.1203 and S.108A "No person shall be denied the equal protection of the laws of this state or any subdivision thereof. No person shall, because of race, color, ethnicity, national origin, age, disability, creed, religion, or sex, including sexual orientation, gender identity, gender expression, pregnancy, pregnancy outcomes, and reproductive healthcare and autonomy, be subject to discrimination in their civil rights by any other person or by any firm, corporation, or institution, or by any agency or subdivision of the state, pursuant to law."

This "Equality Amendment" can empower unaccountable state judges and bureaucrats to:

- **DISCRIMINATE** against <u>BABIES</u>, **EVEN IN THE NINTH MONTH OF PREGNANCY**, by denying their right to life by endorsing their killing by abortion, including painful late term abortion, and by infanticide through intentional neglect if the baby is **born** alive after an attempted abortion.
- **DISCRIMINATE** against social workers, educators and health care workers, <u>INCLUDING</u> <u>DOCTORS AND NURSES</u> by denying them state licenses if they refuse to do abortion referrals.
- •**DISCRIMINATE** against <u>PARENTS</u> by denying parents the right to require their consent for their minor age daughters being given an *abortion* while requiring the consent of parents for their minor age daughters being given an *aspirin*.
- **DISCRIMINATE** (IN FAVOR OF ABORTIONISTS) by awarding abortionists the PRIVILEGE of operating without the health and safety regulations lifesaving surgeons and pharmacists must adhere to.

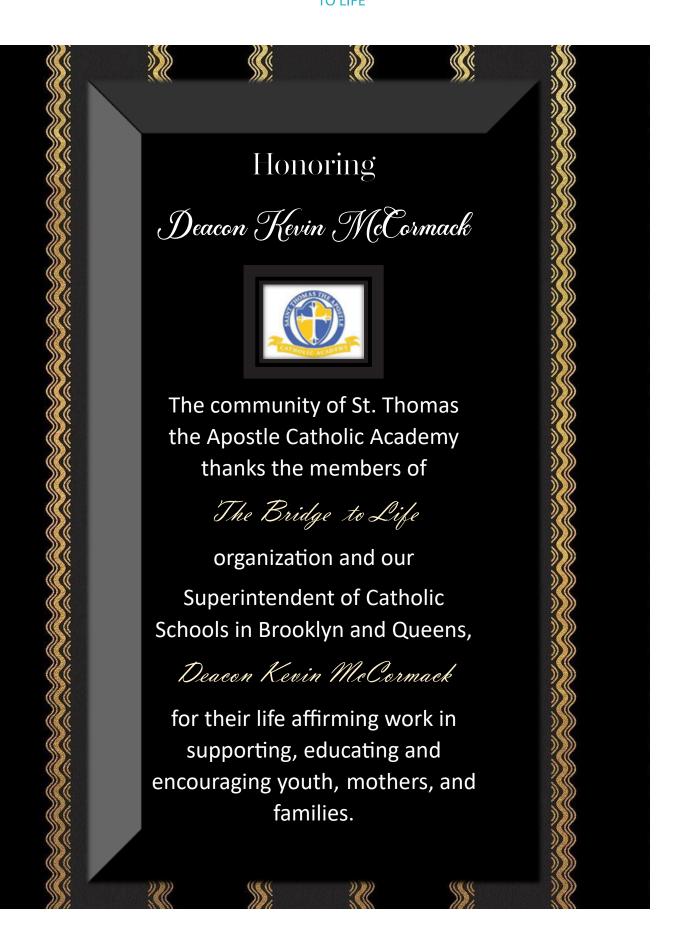

This "Equality Amendment" can empower *unaccountable state judges and bureaucrats* to regulate, harass, fine and prosecute public pro-life witnessing and crisis pregnancy centers *out of existence* as violators of the "Civil Right" of "Reproductive Healthcare and Autonomy."

DO SOMETHING TO HELP PREBORN BABIES AND PARENTS. VOTE AGAINST THE "EQUALITY AMENDMENT" ON ELECTION DAY, 2024!

On behalf of the officers and staff of the Republican State Committee, I pass along our very best wishes to The Bridge for Life for their 32nd Anniversary Gala.

Your work to affirm life and to build a culture of life puts you on the side of the angels.

Congratulations as well to this evening's honoree, Deacon Kevin McCormack. I have been involved with Catholic schools since 1985, as a founding director of Student Sponsor Partners, which sponsors underprivileged children into Catholic schools. With comparable students, Catholic schools can do three times the job for one-third the cost of public schools.

Institutions are truly tested in bad times, and under the stress of a once-in-acentury pandemic, Catholic schools stayed true to their charges, adapted and proved what worked, while their public-school counterparts languished in remote learning.

Thank you for all of the work that you do – onward and upward!

The Bridge to Life is not made of concrete, steel, or wood; it is made of Love: the Love that safely carries travelers not over land or water, but through despair and hopelessness, connecting those travelers (women, moms, and families) with others who provide them with hope to travel on! All travelers on The Bridge to Life can be assured of our prayers to help carry them across the bridge. Father Douglas R. Arcoleo Pastor, Saint Catherine of Sienna Franklin Square, New York

The λ ctus Foundation and our heavenly inspiration Amanda Rose, applaud the work of Bridge to Life. From one pro-life group to another, we are awed by Almighty God's goodness in the face of the evils of deceitful Drug Poisoning and murder of the unborn; the modern slaughter of the Holy Innocents.

Amanda Rose at The March for Life with her TKD sisters

The face of evil never changes, but the faces of love—those of Bridge to Life and The λ ctus Foundation— are always refreshed by the tears we cry for justice again and again. We encourage one another as we fight for life; the unborn and those who make one bad decision We pray that the Almighty will, in His Divine providence, show us **His** face, that we may be find peace in the midst of the evils we oppose.

Requiescat in Pace et salvare parvulos

Amanda Beatrice Rose Gray July 12, 1993—January 11, 2018

The Actus Foundation and her partner, The Fentanyl Awareness Coalition, fight for the victims of the "New Paradigm" of Drug death—the deceptive poisoning with illicit Fentanyl. Our 12,000 victim/member/advocates were not victims of addiction or chronic drug abuse. While these evils are with us yet and claim the lives of many, our Foundation fights for the kid who, under someone's encouragement and deception, makes the wrong decision in the wrong moment. We call the death of now hundreds of thousands of these children the New Paradigm.

Children are meant to learn from mistakes, not die from them. Please consider a donation so that we may continue this work; the work to help our children live and learn—mistakes and all.
